ADJOINING LAND USE AFFIDAVIT

This form can be used by a TCO Cert certified producer in cases where the owner of a neighboring field does not use any prohibited materials on the field and agrees not to use any prohibited material within 8 metres of the certified operator's organic field. If this form is signed by the person managing the neighboring field, then buffers in the organic field will not be required. This form must be signed annually.

TCO Cert Operator & Operation Name:	Operator No.:
-------------------------------------	---------------

Name of Person Managing Neighboring Field:	
Address:	Phone No.:

I, _____ (printed name), attest that I manage the fields listed below and that I do not use any materials prohibited in organic production within 8 metres of the organic fields that adjoin these fields. If I plan to use any prohibited material within this distance, I will notify the above TCO Cert organic producer prior to the use of the product.

 Signature of person managing neighboring fields

 Date

Neighboring Field Numbers/Identification:	Organic Field Numbers/Identification:

**The neighboring field numbers/identification must be clearly identified on the TCO Cert operator's field maps to show which organic fields this affidavit covers.*
